

HEAVENLY SAUNA

OUR HEATER BRANDS

HUUM DROP / ELECTRIC / WALL HEATER

This compact heater with its round design softens and livens up the angular interior of a classic sauna. It also ensures a soft, high heat.

HUUM HIVE MINI / ELECTRIC / FLOOR HEATER

This is a slimmer version of the HIVE heater, ideal for home saunas or day spas.

HUUM HIVE WOOD / WOOD-BURNING / FLOOR HEATER

The wood-fired stove has taken the ancient wisdom of building sauna stoves to a new level with its durable component.

HUUM HIVE HEAT / WOOD-BURNING / FLOOR HEATER

A highly efficient wood-fired stove for smaller saunas with a unique structure for efficient and clean burning.

HARVIA WALL / ELECTRIC / WALL HEATER

The Wall is compact, stylish, and user-friendly, suitable for medium-sized sauna rooms. It comes with built-in, top-side controls.

HARVIA KIPB OR KIPW / ELECTRIC / WALL HEATER

Designed and made in Finland, the KIP is a veteran heater that generates an intense, satisfying heat each sauna session.

HARVIA TOPCLASS / ELECTRIC / WALL HEATER

Staying true to the Finnish roots, the TopClass fills the room with waves of intense, penetrating heat.

HARVIA GILINDRO / ELECTRIC / FLOOR HEATER

This stylish pillar heater is ideal for many needs. It can be operated either by built-in controls or through a digital pad.

HARVIA VIRTA / ELECTRIC / FLOOR HEATER

The Virta's strong structure and ease of maintenance make it suitable for those who use the sauna often. It is operated by a digital pad.

HARVIA CLUB / ELECTRIC / FLOOR HEATER

The Club is a heavy duty heater with enough steam for a large group of users, from morning till night. It is operated by a digital pad.
